Tips for Managing My MOC

This article will describe how to use the CME Gateway website. Many medical imaging organizations belong to a common gateway that will allow you to view, and print reports of CME credits. ABNM is one of the member organizations. Registration is required for the CME Gateway. There is a link at the bottom of the CME gateway login page for first time users.

The URL for the website is: <http://www.cmegateway.org>

After clicking on Sign up Now you will be prompted to create account by filling in the boxes below:

Create Account

Creating an account with CMEgateway.org is an easy process. We only need your name, email address, and a username and password you want to use to access your CME information. After you create your account, you will then be able to enter your login information for each society you would like CME credit information.

Confirmation that account has been created will be next visible screen:
The next step will be to register your CME certifying organizations on the organization tab:

Account Created.

Your CMEgateway.org account has been created. You will now be able to log into this site at anytime to access your CME credits. Click on the next button below to go to the Organizations screen. You will be able to bind to the societies that service your credits from there.

REGISTER

Once organizations are registered you can view your CME credits from the various organizations and print reports in table form as well as individual certificates as noted below:

Member Options

You have successfully logged into the CME Gateway. The menu above will allow you to access the different tools this Web site provides. A description of each area is listed below.

New to the CMEgateway

You can now share your credits with the ABR and the ABNM. Just enter your username and password with the ABR or ABNM on the organizations page, and they will have direct access to your credits from the CMEgateway.

Profile

This option allows you to change your username, password or e-mail address.

Reports

This option allows you to generate reports of your CME credits from multiple accredited organizations.

Certificates

This option allows you to print a CME certificate from any of the accredited organizations of which you are a member.

Organizations

This option allows you to register with the accredited organizations from which you would like to receive your CME credit information. You will need to enter your organization's specific username and password once.

Society Page

This option displays important society specific information for your reference.

SAMs

This option allows you to see listings of the SAMs offered by the participating societies.

Contact

This option brings you to a page that has information on how to contact each society participating in the CME Gateway.

A Multi-Society credit report can be generated according to your opted in societies and by a date range. This report can be saved and exported or printed:

CME TRANSCRIPT

The Society of Nuclear Medicine confirms you have participated in the following continuing education activities between 10/25/2012 and 10/26/2012 .

The total of 5.5 category 1 credits has been earned toward the AMA Physician's Recognition Award.
The total of 0 SAM credits has been awarded towards fulfilling requirements in the ABMS Maintenance of Certification Program.

N. Lynn Barnes, MEd
Director of Education

If you have any questions regarding this transcript, please call the SNM Education Department at (703) 708-9000, ext. 1209 or email lfebvre@snm.org.

Accreditation Statements

The Society of Nuclear Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to sponsor continuing medical education for physicians.

All self-assessment modules (SAMs) are qualified by the American Board of Nuclear Medicine and American Board of Radiology in meeting the criteria for self-assessment toward the purpose of fulfilling requirements in the ABMS Maintenance of Certification Program.

The ABNM will accept any SAM approved by the ABR as a NM related SAM.

ABNM and SNMMI fully participate in CME gateway to provide an easy way to manage My MOC Part II activities.

In the next newsletter, I will explain how to have the credits in the CMEGateway automatically transfer to your My MOC profile.
